

# Ford Elementary School Foundation Donation Form

Yes! I want to be a supporter of the FESF and advance academic excellence in the exceptional educational programs by the Ford Elementary School Foundation (FESF). These programs include providing supplies for the STEM and Engineering Labs, Teacher Grants, Earth Parent Program, Children's Gardens, Science Night, Science Olympiad and other critical programs to support students' education. While the suggested donation is \$100.00 per student, any amount will have a lasting impact on ALL Ford students!

*We appreciate your gift!*
