Dear

As members of the West Cobb community, our Ford Elementary families enjoy giving back to the community by patronizing our local businesses. We are excited to announce another opportunity for our school and your business to work together for a great cause.

On **December 1, 2018**, the Ford Elementary School Foundation will host the **8<sup>th</sup> annual Jingle Jog**. This fun family event reaches all of our students and staff as well as many others throughout the area. Everyone participating in the Jingle Jog receives a race day t-shirt containing the logos of our corporate sponsors. We would like to invite you to participate in this great advertising opportunity. Please see the attached form for Jingle Jog sponsorship options.

We also have a unique option for sponsors who would also like to participate in our **Swinging for STEM golf tournament** to be held at Brookstone Country Club on May 6, 2019. We have attached information for sponsoring both our Jingle Jog and golf tournament jointly.

All donations to the Ford Elementary School Foundation (FESF) go toward enhancing educational opportunities for our students and are tax deductible. The FESF funds our STEM (Science, Technology, Engineering and Math) lab, Earth Parent Program and supports professional development for our staff.

Please contact Mary Kalafut at (770) 361-2791 or email her at [mekalafoot@gmail.com](mailto:mekalafoot@gmail.com) to discuss how you can partner with Ford Elementary at this exciting event. We look forward to speaking with you.

Sincerely,

Patrick O'Connell, Principal  
Ford Elementary School

Cindy Kennedy, President  
FESF
